

UMPIRING COURSES 2010

PERTH NETBALL ASSOCIATION

It is compulsory for one representative (umpire-preferred, coach or player) of every 17 & Under (except yr 8's) team in all divisions, to attend one of the Rules in Action course scheduled in May. Otherwise, clubs/schools may hire the services of our Umpiring Co-ordinator to run their own in house umpire lecture for a flat rate of \$100. Private courses need to be completed by the end of May. Please contact our Umpiring Co-ordinator: Carol Watson on 0409 110 319.

It is recommended that the designated umpire of each team attend this course. Those people who have completed either the Rules in Action, Theory 1 Exam or Umpire Lecture in the last 3 years DO NOT need to attend. Therefore send one new person who has not yet done this course.

Penalty: Non attendance will result in \$50 fine per person and club not permitted to play in finals.
